Sentry Manual Pull Station Covers

- ST-FRC01 Sentry Front Cover
- ST-ALM01 Sentry Alarm Module
- ST-XTR01 Sentry Extender Kit
- ST-BKP01 Sentry Backplate Kit
- ST-WPK01 Sentry Weather Proof Kit (requires ST-XTR01 and ST-BKP01)

SC Specify Color – B / Blue; YL / Yellow; GR / Green

Voice Evacuation Systems - VECP Series

VECP with 4 Speaker Circuits with Digital Message, Mic and Power Supply

- VECP-25 Voice Evacuation / Paging Control Panel - 25 Watts
- VECP-50 Voice Evacuation / Paging Control Panel - 50 Watts
- DVS-RM/P VECP Supervised Remote Mic - 3 Gang Plate Mount
- DVS-RM/B VECP Supervised Remote Mic in key-locked enclosure
- MNS-100APB Audio Power Booster Panel

AM Series Weatherproof Amplified Speakers

- AM-24R Amplified Speaker, in/outdoor, 24 VDC, red
- AM-24G Amplified Speaker, in/outdoor, 24 VDC, grey
- AM-120G Amplified Speaker, in/outdoor, 120 VAC, grey

AMH Series Hazardous Location Amplified Speakers

- AMH-24R Amplified Speaker for hazardous areas, 24 VDC, red
- AMH-24G Amplified Speaker for hazardous areas, 24 VDC, grey
- AMH-120G Amplified Speaker for hazardous areas, 120 VAC, grey

TM Series Weatherproof Tone Signal Amplified Speakers

- TM-24R Tone Signaling Amplified Speaker, in/outdoor, 24 VDC, red
- TM-24G Tone Signaling Amplified Speaker, in/outdoor, 24 VDC, grey
- TM-120G Tone Signaling Amplified Speaker, in/outdoor, 120 VAC, grey

TMH Series Hazardous Area Tone Signal Amplified Speakers

- TMH-24R Tone Signaling Amplified Speaker, hazardous area, 24 VDC, red
- TMH-24G Tone Signaling Amplified Speaker, hazardous area, 24 VDC, grey
- TMH-120G Tone Signaling Amplified Speaker, hazardous area, 120 VAC, grey

AM4CL-24 Amplified Speaker Cluster

- AM4CL-24 Assembly, 4 Horn Array NEMA 1 Box

AU-600 Series Explosion Proof Quadra-Tone Speakers

- AU-611 24 VDC Hydrogen
- AU-612 120 VAC Hydrogen

AU-600 Series Explosion Proof Amplified Speakers

- AU-611-VCS 24 VDC Hydrogen
- AU-612-VCS 120 VAC Hydrogen
